FOREWORD

The Institute of Chartered Accountants of India (ICAI) through Accounting Standards Board (ASB) has been relentlessly working towards establishing sound financial reporting system in the Country. For this purpose, apart from formulation of Accounting Standards, the ASB from time to time takes various necessary initiatives to provide guidance for applicability of Accounting Standards and to ensure successful and proper implementation of Accounting Standards.

Financial Statements prepared applying Accounting Standards results in providing relevant and useful information to the users of financial statements. Therefore, true and fair preparation and presentation of financial statements is an integral part of good financial reporting system.

It has been noted that in recent times, LLP has become a preferred form of entity since it is an alternative corporate business form that gives the benefits of limited liability of a company and the flexibility of a partnership. Therefore, to provide guidance on the applicability of Accounting Standards to LLPs and prescribing formats for the preparation of the financial statements by such LLPs, the ASB had issued Technical Guide on *Financial Statements of Limited Liability Partnerships* in June 2022.

I am glad to share that to further enhance the quality, comparability and comprehensiveness of the financial reporting by the LLPs, the ASB has come out with the Guidance Note on *Financial Statements of Limited Liability Partnerships*. I am confident that this Guidance Note would result in preparation of financial statements of LLPs in a standardised manner thereby achieving the comparability of financial statements of these entities.

I appreciate the contribution of CA. Pramod Jain, Chairman, ASB, CA. Abhay Chhajed, Vice Chairman, ASB and all the members of the ASB in various activities of the ASB and their endeavours in bringing out this Guidance Note.

I am sure that this Guidance Note would be useful for LLPs in preparing their financial statements and also for professionals and other stakeholders in discharging their duties.

PREFACE

The Limited Liability Partnership is a corporate form of entity incorporated under the Limited Liability Partnership Act, 2008. LLP is form of entity that offers the benefits; limited liability of a company and the flexibility of a partnership. In 2021, Limited Liability Partnership (Amendment) Act provided that standards of accounting, as recommended by the Institute of Chartered Accountants of India, may be prescribed by the Central Government in consultation with the National Financial Reporting Authority for a class or classes of Limited Liability Partnerships. Following the aforesaid process, the Accounting Standards for LLPs are in process of notification by the Central Government.

Currently for the purpose of preparation and presentation of the financial statements, the LLPs need to apply Accounting Standards prescribed by the ICAI for non-company entities. Considering the importance accorded to the LLP form of structure in recent times, the Accounting Standards Board (ASB) of the ICAI, in June 2022, issued a Technical Guide on *Financial Statements of Limited Liability Partnerships* to prescribe guidance for applicability of Accounting Standards to LLPs and to recommend formats of the financial statements for standardisation of presentation of the financial statements by LLPs. The Technical Guide also included Illustrative formats of Financial Statements for ease of the preparers.

Moving forward in the direction to further enhance the quality, comparability and comprehensiveness of the financial reporting by the LLPs and providing authoritative guidance to the members of ICAI, the ASB has upgraded the Technical Guide into Guidance Note on *Financial Statements of Limited Liability Partnerships*. The Guidance Note will enable the LLPs to communicate their financial performance and financial position in standardised formats thereby enhancing their comparability.

I would like to convey my sincere gratitude to our Honourable President, CA. Aniket Sunil Talati, and Vice-President, CA. Ranjeet Kumar Agarwal, for providing the opportunity to upgrade the Technical Guide into Guidance Note. I also appreciate the support and assistance of Vice Chairman of ASB, CA. Abhay Chhajed, in all the endeavours of the ASB. I also acknowledge the valuable

contribution of all the members of the ASB in various activities of the ASB and finalisation of this Guidance Note.

I thank and appreciate my Council Colleague CA. Vishal Doshi for his contribution and support in this project. I also acknowledge the contribution of members of the Study Group comprising CA. Padmashree Crasto, CA. Dimpy Khandhar, CA. Vivek Newatia, CA. Rajesh Kumar Jain, CA. Manoj Kumar Mittal, CA. Kunal Kapoor, CA. Mukesh Chhajed, CA. B. L. Agarwal, CA. Madhu Sudan Ladha, CA. Asha Taneja, CA. Shreya Jain and CA. Neetika Khiwani.

I also acknowledge the support of CA. S.N. Gupta, Joint Director, Technical Directorate, CA. Parminder Kaur, Secretary, ASB, and CA. Sonia Minocha, Deputy Secretary, in bringing out this Guidance Note.

I strongly believe that the Limited Liability Partnerships would follow the formats prescribed in the Guidance Note for preparation of their financial statements. I also believe that the auditors of such LLPs' financial statements would ensure that these formats are followed in preparation of financial statements of LLPs.

Background

The Parliament of India enacted the Limited Partnership Act 2008 to make provisions for the formation and regulation of Limited Liability Partnership (LLP). An LLP is a body corporate formed and incorporated under LLP Act and is a legal entity separate from that of its partners. The LLP is a corporate business form that gives the benefits of limited liability of a company and the flexibility of a partnership. Since LLP contains elements of both 'a corporate structure' as well as 'a partnership firm structure' LLP is called a hybrid of a company and a partnership. The LLP Act allows existing private limited companies, unlisted public limited companies and partnership firms to get themselves converted into LLP.

An LLP shall be under obligation to maintain annual accounts reflecting true and fair view of its state of affairs. A "Statement of Accounts and Solvency" in prescribed form shall be filed by every LLP with the Registrar every year.

APPLICABILITY OF ACCOUNTING STANDARDS

Accounting Standards contain wholesome principles of accounting and can be viewed as standardised language of business to communicate high quality information in financial statements based on principles of transparency, consistency and also comparability and reliability. Accounting standards are a set of principles which entities follow while preparing the financial statements providing a standardised way of describing the entity's financial position and financial performance.

Accounting Standards apply in respect of any entity engaged in commercial, industrial or business activities. Exclusion of an entity from the applicability of the Accounting Standards is permissible only if no part of the activity of such entity is commercial, industrial or business in nature. Even if where a very small proportion of the activities of an entity are considered to be commercial, industrial or business in nature, the Accounting Standards would apply to all its activities including those, which are not commercial, industrial or business in nature.

At present, there are three sets of Accounting Standards:

- (i) Indian Accounting Standards (Ind AS) for specified class of companies;

- (ii) Accounting Standards (AS) notified under Companies (Accounting Standards) Rules, 2021, for companies other than those following Ind AS;
- (iii) Accounting Standards (AS) prescribed by ICAI for entities other than companies.

(i) Indian Accounting Standards (Ind AS) for Companies

In view of global developments and importance of integrating local Accounting Standards with global financial reporting standards, keeping in view the Indian legal and economic scenario, IFRS converged Ind AS have been notified and are applicable to all listed companies and listed Non-Banking Financial Companies (NBFCs) and to unlisted companies and unlisted NBFCs with networth of INR 250 crores or more. Ind AS are also applicable to holding/subsidiaries/joint ventures/ associates companies of such companies.

(ii) Accounting Standards (AS) notified under Companies (Accounting Standards) Rules, 2021 for companies other than those following Ind AS

Companies that are not covered under Ind AS, as given in paragraph above, are required to apply Accounting Standards notified under the Companies Act as Companies (Accounting Standards) Rules, 2021. As on date, Accounting Standards (AS) 1 to 5, 7 and 9 to 29 are effective. As per the Companies (Accounting Standards) Rules, 2021, Small and Medium Companies (SMCs) are given certain exemptions/relaxations.

(iii) Accounting Standards (AS) prescribed by ICAI for entities other than companies.

Limited Liability Partnership (Amendment) Act, 2021, has prescribed that the Central Government may, in consultation with the National Financial Reporting Authority constituted under section 132 of the Companies Act, 2013, prescribe the standards of accounting as recommended by the Institute of Chartered Accountants of India constituted under section 3 of the Chartered Accountants Act, 1949, for a class or classes of limited liability partnerships. The Accounting Standards for LLPs are yet to be notified by the Central Government.

Hence, the Limited Liability Partnerships are applying Accounting Standards prescribed by ICAI for the purpose of preparation and presentation of their financial statements.

For the purpose of applicability of AS issued by the ICAI, non-company entities are classified into four categories viz., Level I, Level II, Level III and Level IV non-company entities. Level I non-company entities are required to comply fully with all the AS. Level IV, Level III and Level II non-company entities are considered as Micro, Small and Medium Sized Entity (MSMEs) that have been granted certain exemptions/relaxations by the ICAI. The applicability of AS and exemptions/relaxations thereof for MSMEs are given in **Appendix A**.

Compliance with Accounting Standards

Apart from requirements to comply with AS, as may be prescribed in relevant standards, the 'Preface to the Statements of Accounting Standards', issued by the ICAI, lays down a few critical principles, which are reproduced below, regarding compliance with Accounting Standards:

"6.1 The Accounting Standards will be mandatory from the respective date(s) mentioned in the Accounting Standard(s). The mandatory status of an Accounting Standard implies that while discharging their attest functions, it will be the duty of the members of the Institute to examine whether the Accounting Standard is complied with in the presentation of financial statements covered by their audit. In the event of any deviation from the Accounting Standard, it will be their duty to make adequate disclosures in their audit reports so that the users of financial statements may be aware of such deviation.

6.2 Ensuring compliance with the Accounting Standards while preparing the financial statements is the responsibility of the management of the enterprise. Statutes governing certain enterprises require of the enterprises that the financial statements should be prepared in compliance with the Accounting Standards, e.g., the Companies Act, 1956¹ (section 211), and the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2000.

6.3 Financial Statements cannot be described as complying with the Accounting Standards unless they comply with all the requirements of each applicable Standard."

¹ With regard to the reference to Companies Act, 1956, relevant section of Companies Act, 2013, shall be referred.

In view of the above, the auditors are required to examine compliance with AS while discharging their attest function.

Audit Requirements under LLP Act, 2008, and Rules thereunder

In accordance with the LLP Act 2008, the accounts of Limited Liability Partnership shall be audited in accordance with the Rules prescribed under LLP Rules 2009.

The accounts of every LLP are required to be audited in accordance with Rule 24 of the LLP Rules 2009. Proviso of such rule provides that any LLP, whose turnover does not exceed, in any financial year, 40 lakh rupees, or whose contribution does not exceed 25 lakh rupees, is not required to get its accounts audited. However, if the partners of such LLP decide to get the accounts of such LLP audited, it shall be audited in accordance with such rule.

The Auditor of an LLP is required to conduct the audit and issue the Auditors' Report in accordance with the Auditing Standards issued by the Auditing & Assurance Standards Board of ICAI. Where tax audit is also applicable to a LLP, the auditor should issue a report as required under the income Tax Act 1961 read with Income Tax Rules 1962, taking into consideration the "Guidance Note on Tax Audit under Section 44AB of the Income-tax Act, 1961" as issued and revised by the ICAI.

Objective and Scope of Guidance Note

In June 2022, the Accounting Standards Board of ICAI has issued the Technical Guide on Financial Statements of Limited Liability Partnerships (LLPs) to deal with applicability of Accounting Standards to the LLPs and recommending formats of the financial statements for the LLPs.

The Accounting Standards Board has now prescribed the formats for the presentation of the financial statements of LLPs in the form of Guidance Note, which were earlier issued as a part of Technical Guide. The objective is to standardise the formats of financial statements for these entities and to enhance the quality and comprehensiveness of the financial reporting by these entities.

Effective Date

This Guidance Note is effective for financial statements covering periods beginning on or after April 1, 2024. The Technical Guide on Financial Statements of Limited Liability Partnerships stands superseded by this Guidance Note.

Chapter II

Financial Statements

What Are Financial Statements?

Financial statements form part of the process of financial reporting. A complete set of financial statements normally includes:

- a balance sheet,
- a statement of profit and loss,
- a cash flow statement (where applicable) and
- those notes and other statements and explanatory material that are an integral part of the financial statements.

The notes also include significant accounting policies as required by applicable Accounting Standards. They may also include supplementary schedules and information based on or derived from, and expected to be read with, such statements. The objective of financial statements is to provide information about the financial position, performance and cash flows of an entity.

Few critical principles prescribed in the 'Framework for the preparation and presentation of Financial Statements', issued by the ICAI, are reproduced below:

Financial Position, Performance and Cash Flows

15. The economic decisions that are taken by users of financial statements require an evaluation of the ability of an entity to generate cash and cash equivalents and of the timing and certainty of their generation. This ability ultimately determines, for example, the capacity of an entity to pay its employees and suppliers, meet interest payments, repay loans, and make distributions to its owners. Users are better able to evaluate this ability to generate cash and cash equivalents if they are provided with information that focuses on the financial position, performance and cash flows of an entity.

16. The financial position of an entity is affected by the economic resources it controls, its financial structure, its liquidity and solvency, and its capacity to adapt to changes in the environment in which it operates. Information about the economic resources controlled by the entity and its capacity in the past to alter these resources is useful in predicting the ability of the entity to generate cash and cash equivalents in the future. Information about financial structure is useful in predicting future borrowing needs and how future profits and

cash flows will be distributed among those with an interest in the entity; it is also useful in predicting how successful the entity is likely to be in raising further finance. Information about liquidity and solvency is useful in predicting the ability of the entity to meet its financial commitments as they fall due. Liquidity refers to the availability of cash in the near future to meet financial commitments over this period. Solvency refers to the availability of cash over the longer term to meet financial commitments as they fall due.

17. Information about the performance of an entity, in particular its profitability, is required in order to assess potential changes in the economic resources that it is likely to control in the future. Information about variability of performance is important in this respect. Information about performance is useful in predicting the capacity of the entity to generate cash flows from its existing resource base. It is also useful in forming judgements about the effectiveness with which the entity might employ additional resources.

18. Information concerning cash flows of an entity is useful in order to evaluate its investing, financing and operating activities during the reporting period. This information is useful in providing the users with a basis to assess the ability of the entity to generate cash and cash equivalents and the needs of the entity to utilise those cash flows.

19. Information about financial position is primarily provided in a balance sheet. Information about performance is primarily provided in a statement of profit and loss. Information about cash flows is provided in the financial statements by means of a cash flow statement.

20. The component parts of the financial statements are interrelated because they reflect different aspects of the same transactions or other events. Although each statement provides information that is different from the others, none is likely to serve only a single purpose nor to provide all the information necessary for particular needs of users.

Notes and Supplementary Schedules

21. The financial statements also contain notes and supplementary schedules and other information. For example, they may contain additional information that is relevant to the needs of users about the items in the balance sheet and statement of profit and loss. They may include disclosures about the risks and uncertainties affecting the entity and any resources and obligations not recognised in the balance sheet (such as mineral reserves). Information about business and geographical segments and the effect of changing prices on the entity may also be provided in the form of supplementary information.

Chapter III

Balance Sheet

Information about financial position is provided through balance sheet. The elements directly related to the measurement of financial position in the balance sheet are assets, liabilities and equity.

Items Included in the Balance Sheet

As per the *Framework for the Preparation and Presentation of Financial Statements*, issued by the ICAI:

49. The elements directly related to the measurement of financial position are assets, liabilities and equity. These are defined as follows:

(a) An asset is a resource controlled by the enterprise as a result of past events from which future economic benefits are expected to flow to the enterprise.

(b) A liability is a present obligation of the enterprise arising from past events, the settlement of which is expected to result in an outflow from the enterprise of resources embodying economic benefits.

(c) Equity is the residual interest in the assets of the enterprise after deducting all its liabilities.

The definitions of an asset and a liability identify their essential features but do not attempt to specify the criteria that need to be met before they are recognised in the balance sheet. Thus, the items are recognised as assets or liabilities in the balance sheet if they satisfy the criteria for recognition as specified in the relevant Accounting Standards and, if there is no specific Accounting Standard, as specified in the said Framework.

The formats of financial statements prescribed in the Guidance Note use the term 'partners' funds' in place of 'equity' considering that some of the items of 'partners' funds' may not strictly meet the definition of 'equity'.

Chapter IV

Statement of Profit and Loss

Statement of Profit and Loss is one of the three important elements of the financial statements used for reporting an entity's financial performance over a specific accounting period. It is also known as the 'Income Statement' or 'Profit & Loss Account'. The Statement of Profit and Loss primarily focuses on an entity's income and expenses during a particular period.

As per the *Framework for the Preparation and Presentation of Financial Statements*, issued by the ICAI:

68. Profit is frequently used as a measure of performance or as the basis for other measures, such as return on investment or earnings per share. The elements directly related to the measurement of profit are income and expenses. The recognition and measurement of income and expenses, and hence profit, depends in part on the concepts of capital and capital maintenance used by the enterprise in preparing its financial statements.

69. Income and expenses are defined in the Framework as follows:

(a) Income is increase in economic benefits during the accounting period in the form of inflows or enhancements of assets or decreases of liabilities that result in increases in equity, other than those relating to contributions from equity participants.

(b) Expenses are decreases in economic benefits during the accounting period in the form of outflows or depletions of assets or incurrences of liabilities that result in decreases in equity, other than those relating to distributions to equity participants.

The definitions of income and expenses identify their essential features but do not attempt to specify the criteria that need to be met before they are recognised in the statement of profit and loss. Criteria for recognition of income and expenses are prescribed in relevant Accounting Standards and, if there is no specific Accounting Standard dealing with the item, the recognition criteria prescribed in the Framework may be referred.

Chapter V

Cash Flow Statements

As per AS 3, Cash Flow Statements, a cash flow statement, when used in conjunction with the other financial statements, provides information that enables users to evaluate the changes in net assets of an enterprise, its financial structure (including its liquidity and solvency) and its ability to affect the amounts and timing of cash flows in order to adapt to changing circumstances and opportunities. Cash flow information is useful in assessing the ability of the enterprise to generate cash and cash equivalents and enables users to develop models to assess and compare the present value of the future cash flows of different enterprises. It also enhances the comparability of the reporting of operating performance by different enterprises because it eliminates the effects of using different accounting treatments for the same transactions and events.

For non-company entities, AS 3 provides that financial statement of Micro, Small and Medium sized Enterprises (Level IV, Level III and Level II non-company entities), may not include cash flow statements, i.e., preparation of cash flow statement is not mandatory. Such entities are, however, encouraged to comply with this standard.

The cash flow statement reconciles the income statement with the balance sheet in three major business activities. The three components of the cash flow statement are listed below.

a) Operating Activities

Operating activities are the principal revenue-producing activities of the enterprise and other activities that are not investing or financing activities. The operating activities in the Cash Flow Statement include any sources and uses of cash from running the business and selling its products or services. Cash from operations includes any changes made in cash, accounts receivable, depreciation, inventory, and accounts payable. These transactions also include wages, income tax payments, interest payments, rent, and cash receipts from the sale of a product or service.

b) Investing Activities

Investing activities are the acquisition and disposal of long-term assets and other investments not included in cash equivalents. Investing activities include any sources and uses of cash from an entity's investments into the long-term future of the entity.

Purchases of fixed assets such as property, plant, and equipment (PPE) are included in this section. In short, changes in equipment, assets, or investments relate to cash from investing.

c) Financing Activities

Financing activities are activities that result in changes in the size and composition of the owners' capital and borrowings of the enterprise. Cash from financing activities include the sources of cash from investors or banks, as well as the uses of cash paid to shareholders. Financing activities include debt issuance, loans, and repayments of debt.

Chapter VI

Formats of Financial Statements for Limited Liability Partnerships

The financial statements should give true and fair view of the state of affairs of the Limited Liability Partnership, comply with the applicable Accounting Standards and shall be in the form as provided hereafter.

GENERAL INSTRUCTIONS FOR PREPARATION OF BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS OF A LIMITED LIABILITY PARTNERSHIP

1. These formats shall apply for preparation of Balance Sheet and Statement of Profit and Loss of a Limited Liability Partnership. Where compliance with the requirements of the relevant statute including Accounting Standards as applicable to the Limited Liability Partnership require any change in treatment or disclosure including addition, amendment, substitution or deletion in the head or sub-head or any changes, inter se, in the financial statements or statements forming part thereof, the same shall be made and the formats shall be modified accordingly.
2. The disclosure requirements specified in the formats are in addition to and not in substitution of the disclosure requirements specified in the Accounting Standards issued by the Institute of Chartered Accountants of India. Additional disclosures specified in the Accounting Standards shall be made in the notes to accounts or by way of additional statement unless required to be disclosed on the face of the Financial Statements. Similarly, all other disclosures as required by the relevant statute shall be made in the notes to accounts in addition to the requirements set out in these formats.
3. (i) Notes to accounts shall contain information in addition to that presented in the Financial Statements and shall provide where required (a) narrative descriptions or disaggregations of items recognised in those statements; and (b) information about items that do not qualify for recognition in those statements.

(ii) Each item on the face of the Balance Sheet and Statement of Profit and Loss shall be cross-referenced to any related information in the notes to accounts. In preparing the Financial Statements including the notes to accounts, a balance shall be maintained between providing excessive detail that may not assist users of financial statements and not providing important information as a result of too much aggregation.

4. (i) Depending upon the Total Income of the Limited Liability Partnership, the figures appearing in the Financial Statements may be rounded off as given below:—

Total Income	Rounding off
(a) less than one hundred crore rupees	To the nearest hundreds, thousands, lakhs or millions, or decimals thereof.
(b) one hundred crore rupees or more	To the nearest lakhs, millions or crores, or decimals thereof.

- (ii) Once a unit of measurement is used, it should be used uniformly in the Financial Statements.
5. Except in the case of the first Financial Statements prepared by the Limited Liability Partnership (after its incorporation) the corresponding amounts (comparatives) for the immediately preceding reporting period for all items shown in the Financial Statements including notes shall also be given.
6. For the purpose of this format, the terms used herein shall be as per the applicable Accounting Standards.

Note:—This part set-outs the minimum requirements for disclosure on the face of the Balance Sheet, and the Statement of Profit and Loss (hereinafter referred to as “Financial Statements” for the purpose of the Format) and Notes. Line items, sub-line items and sub-totals shall be presented as an addition or substitution on the face of the Financial Statements when such presentation is relevant to an understanding of the Limited Liability Partnership’s financial position or performance or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the LLP Act or under the Accounting Standards.

Notes

GENERAL INSTRUCTIONS FOR PREPARATION OF BALANCE SHEET

1. An asset shall be classified as current when it satisfies any of the following criteria:
 - (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
 - (b) it is held primarily for the purpose of being traded;
 - (c) it is expected to be realized within twelve months after the reporting date; or
 - (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

2. An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Where the normal operating cycle cannot be identified, it is assumed to have a duration of 12 months.
3. A liability shall be classified as current when it satisfies any of the following criteria:
 - (a) it is expected to be settled in the company's normal operating cycle;
 - (b) it is held primarily for the purpose of being traded;
 - (c) it is due to be settled within twelve months after the reporting date; or
 - (d) the Limited Liability Partnership does not have an unconditional

right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

4. A receivable shall be classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business.
5. A payable shall be classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business.
6. A Limited Liability Partnership shall disclose the following in the Notes to Accounts:

A. Partners' Funds

For each partner's contribution account/current account following items for the year to be disclosed separately, as agreed in the LLP Agreement:

- (a) opening balance;
- (b) Introduced/Contributed during the year;
- (c) remuneration for the year;
- (d) interest for the year;
- (e) withdrawals during the year;
- (f) share of profit or loss for the year (share in % and amount);
- (g) closing balance.

For partner's contribution account, the agreed contribution shall also be disclosed.

B. Reserves and Surplus

- (i) Reserves and Surplus shall be classified as:
 - (a) Capital Reserves;

- (b) Revaluation Reserve;
 - (c) Other Reserves – (specify the nature and purpose of each reserve and the amount in respect thereof);
 - (d) Undistributed Surplus i.e. balance in Statement of Profit and Loss.
- (ii) Debit balance of statement of profit and loss shall be shown as a negative figure under the head 'Undistributed Surplus'. Similarly, the balance of 'Reserves and Surplus', after adjusting negative balance of surplus, if any, shall be shown under the head 'Reserves and Surplus' even if the resulting figure is in the negative.

C. Long-Term Borrowings

- (i) Long-term borrowings shall be classified as:
- (a) Term loans
 - From banks
 - From other parties
 - (c) Deferred payment liabilities.
 - (d) Loans and advances from related parties.
 - (e) Long term maturities of finance lease obligations
 - (f) Other loans and advances (specify nature).
- (ii) Borrowings shall further be sub-classified as secured and unsecured. Nature of security shall be specified separately in each case.
- (iii) Where loans have been guaranteed by partners/proprietor/owners or others, the aggregate amount of such loans under each head shall be disclosed.
- (iv) Terms of repayment of term loans and other loans shall be stated.

D. Long-term provisions

The amounts shall be classified as:

- (a) Provision for employee benefits.

- (b) Others (specify nature).

E. Short-term borrowings

- (i) Short-term borrowings shall be classified as:
 - (a) Loans repayable on demand
 - From banks
 - From other parties
 - (b) Loans and advances from related parties.
 - (c) Other loans and advances (specify nature).
- (ii) Borrowings shall further be sub-classified as secured and unsecured. Nature of security shall be specified separately in each case.
- (iii) Where loans have been guaranteed by partners or others, the aggregate amount of such loans under each head shall be disclosed.
- (iv) current maturities of Long term borrowings shall be disclosed separately.

F. Trade Payables

The following details relating to Micro, Small and Medium Enterprises shall be disclosed in the notes:-

- (a) the principal amount and the interest due thereon (to be shown separately) remaining unpaid to any supplier at the end of each accounting year;
- (b) the amount of interest paid by the buyer in terms of section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year;

Criteria for classification of Non-company entities for applicability of Accounting Standards

The Council, at its 400th meeting, held on March 18-19, 2021, considered the matter relating to applicability of Accounting Standards issued by The Institute of Chartered Accountants of India (ICAI), to Non-company entities (Enterprises). The scheme for applicability of Accounting Standards to Non-company entities shall come into effect in respect of accounting periods commencing on or after April 1, 2020.

1. For the purpose of applicability of Accounting Standards, Non-company entities are classified into four categories, viz., Level I, Level II, Level III and Level IV.

Level I entities are large size entities, Level II entities are medium size entities, Level III entities are small size entities and Level IV entities are micro entities. Level IV, Level III and Level II entities are referred to as Micro, Small and Medium size entities (MSMEs). The criteria for classification of Non-company entities into different levels are given in Annexure 1.

The terms 'Small and Medium Enterprise' and 'SME' used in Accounting Standards shall be read as 'Micro, Small and Medium size entity' and 'MSME' respectively.

2. Level I entities are required to comply in full with all the Accounting Standards.
3. Certain exemptions/relaxations have been provided to Level II, Level III and Level IV Non-company entities. Applicability of Accounting Standards and exemptions/relaxations to such entities are given in Annexure 2.
4. This Announcement supersedes the earlier Announcement of the ICAI on **'Harmonisation of various differences between the Accounting Standards issued by the ICAI and the Accounting Standards notified by the Central Government'** issued in February 2008, to the extent it prescribes the criteria for classification of Non-company entities (Non-corporate entities) and applicability of Accounting Standards to non-company entities, and the Announcement **'Revision in the criteria for classifying Level II non-corporate entities'** issued in January

2013.

5. This Announcement is not relevant for Non-company entities who may be required to follow Ind AS as per relevant regulatory requirements applicable to such entities.
6. The changes arising from this Announcement will be incorporated in the Accounting Standards while publishing the updated Compendium of Accounting Standards.

Annexure 1

Criteria for classification of Non-company Entities as decided by the Institute of Chartered Accountants of India

Level I Entities

Non-company entities which fall in any one or more of the following categories, at the end of the relevant accounting period, are classified as Level I entities:

- (i) Entities whose securities are listed or are in the process of listing on any stock exchange, whether in India or outside India.
- (ii) Banks (including co-operative banks), financial institutions or entities carrying on insurance business.
- (iii) All entities engaged in commercial, industrial or business activities, whose turnover (excluding other income) exceeds rupees two-fifty crore in the immediately preceding accounting year.
- (iv) All entities engaged in commercial, industrial or business activities having borrowings (including public deposits) in excess of rupees fifty crore at any time during the immediately preceding accounting year.
- (v) Holding and subsidiary entities of any one of the above.

Level II Entities

Non-company entities which are not Level I entities but fall in any one or more of the following categories are classified as Level II entities:

- (i) All entities engaged in commercial, industrial or business activities, whose turnover (excluding other income) exceeds rupees fifty crore but does not exceed rupees two-fifty crore in the immediately preceding accounting year.
- (ii) All entities engaged in commercial, industrial or business activities having borrowings (including public deposits) in excess of rupees ten crore but not in excess of rupees fifty crore at any time during the immediately preceding accounting year.
- (iii) Holding and subsidiary entities of any one of the above.

Level III Entities

Non-company entities which are not covered under Level I and Level II but fall in any one or more of the following categories are classified as Level III entities:

- (i) All entities engaged in commercial, industrial or business activities, whose turnover (excluding other income) exceeds rupees ten crore but does not exceed rupees fifty crore in the immediately preceding accounting year.
- (ii) All entities engaged in commercial, industrial or business activities having borrowings (including public deposits) in excess of rupees two crore but does not exceed rupees ten crore at any time during the immediately preceding accounting year.
- (iii) Holding and subsidiary entities of any one of the above.

Level IV Entities

Non-company entities which are not covered under Level I, Level II and Level III are considered as Level IV entities.

Additional requirements

- (1) An MSME which avails the exemptions or relaxations given to it shall disclose (by way of a note to its financial statements) the fact that it is an MSME, the Level of MSME and that it has complied with the Accounting Standards insofar as they are applicable to entities falling in Level II or Level III or Level IV, as the case may be.
- (2) Where an entity, being covered in Level II or Level III or Level IV, had qualified for any exemption or relaxation previously but no longer qualifies for the relevant exemption or relaxation in the current accounting period, the relevant standards or requirements become applicable from the current period and the figures for the corresponding period of the previous accounting period need not be revised merely by reason of its having ceased to be covered in Level II or Level III or Level IV, as the case may be. The fact that the entity was covered in Level II or Level III or Level IV, as the case may be, in the previous period and it had availed of the exemptions or relaxations available to that Level of entities shall be disclosed in the notes to the financial statements. The fact that previous period figures have not been revised shall also be disclosed in the notes to the financial statements.
- (3) Where an entity has been covered in Level I and subsequently, ceases to be so

covered and gets covered in Level II or Level III or Level IV, the entity will not qualify for exemption/relaxation available to that Level, until the entity ceases to be covered in Level I for two consecutive years. Similar is the case in respect of an entity, which has been covered in Level II or Level III and subsequently, gets covered under Level III or Level IV.

- (4) If an entity covered in Level II or Level III or Level IV opts not to avail of the exemptions or relaxations available to that Level of entities in respect of any but not all of the Accounting Standards, it shall disclose the Standard(s) in respect of which it has availed the exemption or relaxation.
- (5) If an entity covered in Level II or Level III or Level IV opts not to avail any one or more of the exemptions or relaxations available to that Level of entities, it shall comply with the relevant requirements of the Accounting Standard.
- (6) An entity covered in Level II or Level III or Level IV may opt for availing certain exemptions or relaxations from compliance with the requirements prescribed in an Accounting Standard:

Provided that such a partial exemption or relaxation and disclosure shall not be permitted to mislead any person or public.

- (7) In respect of Accounting Standard (AS) 15, *Employee Benefits*, exemptions/relaxations are available to Level II and Level III entities, under two sub-classifications, viz., (i) entities whose average number of persons employed during the year is 50 or more, and (ii) entities whose average number of persons employed during the year is less than 50. The requirements stated in paragraphs (1) to (6) above, mutatis mutandis, apply to these sub-classifications.

Annexure 2

(B) Accounting Standards in respect of which relaxations/exemptions from certain requirements have been given to Level II, Level III and Level IV Non-company entities:

- (i) Accounting Standard (AS) 10, Property, Plant and Equipment
Paragraph 87 relating to encouraged disclosures is not applicable to Level III and Level IV Non-company entities.
- (ii) AS 11, The Effects of Changes in Foreign Exchange Rates (revised 2018)
Paragraph 44 relating to encouraged disclosures is not applicable to Level III and Level IV Non-company entities.
- (iii) AS 13, Accounting for Investments
Paragraph 35(f) relating to disclosures is not applicable to Level IV Non-company entities.
- (iv) Accounting Standard (AS) 15, Employee Benefits (revised 2005)
 - (1) Level II and Level III Non-company entities whose average number of persons employed during the year is 50 or more are exempted from the applicability of the following paragraphs:
 - (a) paragraphs 11 to 16 of the standard to the extent they deal with recognition and measurement of short-term accumulating compensated absences which are non-vesting (i.e., short-term accumulating compensated absences in respect of which employees are not entitled to cash payment for unused entitlement on leaving);
 - (b) paragraphs 46 and 139 of the Standard which deal with discounting of

amounts that fall due more than 12 months after the balance sheet date;

- (c) recognition and measurement principles laid down in paragraphs 50 to 116 and presentation and disclosure requirements laid down in paragraphs 117 to 123 of the Standard in respect of accounting for defined benefit plans. However, such entities should actuarially determine and provide for the accrued liability in respect of defined benefit plans by using the Projected Unit Credit Method and the discount rate used should be determined by reference to market yields at the balance sheet date on government bonds as per paragraph 78 of the Standard. Such entities should disclose actuarial assumptions as per paragraph 120(l) of the Standard; and
 - (d) recognition and measurement principles laid down in paragraphs 129 to 131 of the Standard in respect of accounting for other long-term employee benefits. However, such entities should actuarially determine and provide for the accrued liability in respect of other long-term employee benefits by using the Projected Unit Credit Method and the discount rate used should be determined by reference to market yields at the balance sheet date on government bonds as per paragraph 78 of the Standard.
- (2) Level II and Level III Non-company entities whose average number of persons employed during the year is less than 50 and Level IV Non-company entities irrespective of number of employees are exempted from the applicability of the following paragraphs:
- (a) paragraphs 11 to 16 of the standard to the extent they deal with recognition and measurement of short-term accumulating compensated absences which are non-vesting (i.e., short-term accumulating compensated absences in respect of which employees are not entitled to cash payment for unused entitlement on leaving);
 - (b) paragraphs 46 and 139 of the Standard which deal with discounting of amounts that fall due more than 12 months after the balance sheet date;
 - (c) recognition and measurement principles laid down in paragraphs 50 to

116 and presentation and disclosure requirements laid down in paragraphs 117 to 123 of the Standard in respect of accounting for defined benefit plans. However, such entities may calculate and account for the accrued liability under the defined benefit plans by reference to some other rational method, e.g., a method based on the assumption that such benefits are payable to all employees at the end of the accounting year; and

- (d) recognition and measurement principles laid down in paragraphs 129 to 131 of the Standard in respect of accounting for other long-term employee benefits. Such entities may calculate and account for the accrued liability under the other long-term employee benefits by reference to some other rational method, e.g., a method based on the assumption that such benefits are payable to all employees at the end of the accounting year.

(v) AS 19, Leases

- (a) Paragraphs 22 (c),(e) and (f); 25 (a), (b) and (e); 37 (a) and (f); and 46 (b) and (d) relating to disclosures are not applicable to Level II Non-company entities.
- (b) Paragraphs 22 (c),(e) and (f); 25 (a), (b) and (e); 37 (a), (f) and (g); and 46 (b), (d) and (e) relating to disclosures are not applicable to Level III Non-company entities.
- (c) Paragraphs 22 (c),(e) and (f); 25 (a), (b) and (e); 37 (a), (f) and (g); 38; and 46 (b), (d) and (e) relating to disclosures are not applicable to Level IV Non-company entities.

(vi) AS 22, Accounting for Taxes on Income

- (a) Level IV Non-company entities shall apply the requirements of AS 22, Accounting for Taxes on Income, for Current tax defined in paragraph 4.4 of AS 22, with recognition as per paragraph 9, measurement as per paragraph 20 of AS 22, and presentation and disclosure as per paragraphs 27-28 of AS 22.

(b) Transitional requirements

On the first occasion when a Non-company entity gets classified as Level IV entity, the accumulated deferred tax asset/liability appearing in the financial statements of immediate previous accounting period, shall be adjusted against the opening revenue reserves.

(vii) AS 26, Intangible Assets

Paragraphs 90(d)(iii); 90(d)(iv) and 98 relating to disclosures are not applicable to Level IV Non-company entities.

(viii) AS 28, Impairment of Assets

(a) Level II and Level III Non-company entities are allowed to measure the 'value in use' on the basis of reasonable estimate thereof instead of computing the value in use by present value technique. Consequently, if Level II or Level III Non-company entity chooses to measure the 'value in use' by not using the present value technique, the relevant provisions of AS 28, such as discount rate etc., would not be applicable to such an entity. Further, such an entity need not disclose the information required by paragraph 121(g) of the Standard.

(b) Also, paragraphs 121(c)(ii); 121(d)(i); 121(d)(ii) and 123 relating to disclosures are not applicable to Level III Non-company entities.

(ix) AS 29, Provisions, Contingent Liabilities and Contingent Assets (revised 2016)

Paragraphs 66 and 67 relating to disclosures are not applicable to Level II, Level III and Level IV Non-company entities.

(A) In case of Level IV Non-company entities, generally there are no such transactions that are covered under AS 14, Accounting for Amalgamations, or jointly controlled operations or jointly controlled assets covered under AS 27, Financial Reporting of Interests in Joint Ventures. Therefore, these standards are not applicable to Level IV Non-company entities. However, if there are any such transactions, these entities shall apply the requirements of the relevant standard.

AS 21, Consolidated Financial Statements, AS 23, Accounting for Investments in Associates in Consolidated Financial Statements, AS 27, Financial Reporting of

Interests in Joint Ventures (to the extent of requirements relating to Consolidated Financial Statements), and AS 25, Interim Financial Reporting, do not require a Non-company entity to present consolidated financial statements and interim financial report, respectively. Relevant AS is applicable only if a Non-company entity is required or elects to prepare and present consolidated financial statements or interim financial report.
